Wireless mouse Delux M913DB 2.4G (black)

Ref: 6938820410911

#### Delux Wireless Mouse M913DB

Give yourself the comfort of your dreams while working at the computer. The Delux M913DB wireless mouse features an ergonomic design and is equipped with an additional knob that allows horizontal scrolling. The device allows 5-position resolution adjustment up to 4,000DPI and can connect to the computer in 3 ways - via USB-C cable, via Bluetooth 5.0 or in the 2.4G band. In addition, the durable battery provides up to 60 hours of use on a single charge.

#### 3 connectivity options

You can connect the mouse to your computer in 3 ways. If you want, use a USB-C cable and be sure that the device will not unexpectedly discharge. You also have 2 wireless solutions at your disposal. The M913DB supports Bluetooth 5.0, and can also connect to your computer in the 2.4G band. Both options guarantee fast and stable transmission - forget about signal problems! The mouse is compatible with Windows and Mac OS operating systems.

#### 5-stage DPI adjustment

The Delux M913DB mouse will be perfect for various applications. It allows 5-stage resolution adjustment in the range of 800 / 1200 / 1600 / 2400 / 4000DPI, which means that you will successfully use it not only for work or ordinary Internet browsing, but also, for example, for graphic design projects that require precision, or even for dynamic gameplay.

#### Additional capabilities

Make your computer operation easier. The mouse is equipped with 6 programmable buttons, so you can adjust its operation to your needs and habits. It also has an additional knob for horizontal scrolling and a button with which you can switch between the program you are currently using and your computer desktop with a single click. The device also offers a back/forward function, which will come in handy when you're using a web browser, for example.

#### Working time of up to 60 hours

Don't be afraid that the mouse will refuse to serve you at the least opportune moment. The M913DB is equipped with a durable 500mAh battery, so you can enjoy up to 60 hours of working time. To charge the device, you only need about 2 hours. Now you can work on your projects or play your favorite games with peace of mind!

#### Ergonomic design

Enjoy dreamlike comfort even during prolonged computer work. The M913DB mouse features a well-thought-out ergonomic design, so it fits perfectly in your hand and does not strain your wrists. Say goodbye to pain and fatigue! The device is also equipped with a special support on which you can comfortably rest your thumb. What's more, durable yet pleasant to the touch materials were used to make the mouse.
