Practical braces for photographers

Made from high-quality nylon, the photographic braces are extremely durable. They allow you to carry two cameras at the same time. You can easily and quickly detach the cameras and always use the one you just need. Thanks to the use of high-quality foam, the braces are extremely comfortable and convenient to wear, even for many hours. They evenly distribute the weight of the camera without putting any strain on your spine.

Universal

They allow you to use one of the two cameras while the other remains freely in place. Thanks to the versatility of the harness, you can use it with most DSLR cameras on the market.
