Rockbros bike repair tool set 43210810001

Equip yourself with a practical bicycle repair tool set to repair your vehicle during an unexpected breakdown. Rockbros 43210810001 contains up to 44 items that will come in handy when changing a tire, tightening brake bolts or derailleurs. In a sturdy carrying case you will find, among other things, a spoke wrench, tire repair kit or chain reducer/unscrew.

Helpful in any situation

Going to the mountains and taking your bike with you? Just pack a tool kit and don't worry about a sudden malfunction of your equipment. In a practical suitcase you will find, among other things, a spoke wrench perfect for centering wheels, a universal Phillips screwdriver or a pedal wrench. A tire pressure gauge will ensure a safe and comfortable ride, and a tire removal tool will make the job easier. The kit also includes a crank wrench, wrenches and more.
