Ref: 5905316140127

Wall charger Blitzwolf BW-S21 GaN 35W, USB + USB-C (black)

Blitzwolf BW-S21 USB + USB-C network charger (black).

Charge your gear quickly and safely. The Blitzwolf BW-S21 network charger is equipped with 2 USB ports and offers charging with up to 35 watts of power. It supports multiple fast charging standards. It stands out for its wide compatibility, so you only need 1 charger to power all the devices in your home. In addition, the compact design makes it easy to store and transport.

Expressly charge your devices

Tired of waiting indefinitely to charge your smartphone? With help comes a charger from Blitzwolf. It allows for fast charging with a power of up to 35 watts. It also supports multiple fast charging protocols including PD, QC 3.0 and AFC. It only takes about 30 minutes to power your iPhone 13 up to 50% with it! The charger provides reliable protection for your phone while charging.

Perfect for all your devices

The BW-S21 is equipped with 2 practical USB ports - USB-A and USB-C. So you can easily power up to 2 devices at the same time. The charger works with many popular equipment. With its help you can easily charge a smartphone (iPhone, Samsung, Huawei or Xiaomi), Macbook, laptop, tablet or wireless headphones. It will also be perfect for renewing the energy in the Nintendo Switch console.

Compact design

The AC charger is distinguished by its small and lightweight design, making it perfect for both home and travel - you can successfully fit it into a small purse or even a pocket. What's more, it was made with innovative GaN technology, which is responsible for its efficient operation.
