Silicone Rubber Case PGYTECH for OSMO Action (Black)

PGYTECH Silicone Shield for Osmo Action 3 (Black)

Take care of the safety of your Osmo Action 3 camera. The cover is made of silica gel and protects the device along with the lens from damage. What's more, it comes with a lanyard that you can adjust, and its installation won't be a problem.

Dedicated to DJI Osmo Action 3

PGYTECH's silicone cover was designed specifically for the DJI Osmo Action, so it fits it and provides comprehensive protection for both the camera and its lens. It also comes with a lanyard, the length of which you can adjust.

Refined design

The product was created entirely from high-quality silica gel, so it protects the Osmo Action 3 from damage when it falls out of your hands, for example. What's more, the cover is dust-resistant and pleasant to the touch.
