Ref: 6970211472337

Jimi Home X1-C tool set

The Jimi Home X1-C tool set will enable you to bolt together furniture, assemble shelves and much more! It is a must-have for both amateurs and real professionals. The set includes an innovative 12-volt cordless electric drill, a power supply, a charging base and a set of accessories, such as screw drivers, extension rod, cobalt drills, sockets and replaceable bits. The product's design will keep you organized, and you'll always have the tools and accessories you need close at hand. The X1-C weighs just 2 kg, and its dimensions are 303 x 217 x 73 mm, so it won't take up much space and will allow you to manage your space wisely.

Innovative drill

The most important part of the Jimi Home tool kit equipment is the cordless electric drill. The device is characterized by innovative design, thoughtful structure and multifunctionality. Thanks to the technologies used, the drill is equipped with an integrated chuck, has a magnetic design that allows you to conveniently attach screws to the back of the device, supports high and low speed levels (from 400 to 1,500 r/min), and allows manual speed adjustment (17+1). Its operation is extremely simple.

Additional perks

The cordless electric drill also features integrated operation, easy clamping, quick locking, which is guaranteed in just a second, high clamping force, impressive motor power and a metal shift gearbox. What's more, the drill can be charged in 2 ways: thanks to High

Power technology, you can conveniently situate it in the included charging base, or plug the power adapter directly into the device's port.

A wide range of accessories

To prepare you for any circumstance, the Jimi Home organizer is equipped with essential accessories for the drill, such as: 2 S2 magnetic nut screw drivers, S2 extension bar, 6 cobalt drill bits (7 mm, 6 mm, 5 mm, 4 mm, 3 mm, 2 mm), 3 1/4 sockets (6, 8, 10) and 16 interchangeable 6.35 x 25 mm bits (ADP, T40 / PZ2, PZ3 / 4.5PH2, 6PH2, 3PH1 / H6, H5, H4, H3 / TT30, TT25, TT10 / SL5, SL3). The magnetic design of the device allows you to conveniently attach the screws to the back of the drill while working, which will increase your comfort and relieve your hands. Create the perfect space in your home with the Jimi Home X1-C kit!
