Ref: 5905316140899

Curved Screen Tempered Film Sunnlylife for Insta360 X3

Sunnlylife protective screen film for Insta360

The high-quality Sunnlylife protective film will effectively protect the screen of your Insta360! The film is highly resistant to scratches and cracks - it can protect the camera screen even from sharp tools such as a knife or keys. The film's design is extremely thin and allows your device to respond accurately and quickly to touch. With a transmittance of 99%, you will enjoy realistic color reproduction. The product has rounded edges for an even higher level of protection. The included accessories allow quick and easy installation of the protective film.
