

## Speaker Tribit Stormbox Pro BTS31 Wireless Bluetooth

Speaker Tribit Stormbox Pro BTS31 Wireless Bluetooth

Ref: 6972838612462

Tribit StormBox Pro BTS31 Bluetooth Wireless Speaker (black).

The Tribit wireless speaker offers excellent sound quality, thanks to its unique design and XBass technology. What's more, it is water and dust resistant, and the practical handle will make it easy to transport. It connects to a compatible device via Bluetooth 5.0, and the included USB-A to USB-C cable will facilitate charging.

### Excellent sound quality

The device owes its high sound quality to a carefully considered design. The speaker is equipped with 2 drivers and dual passive radiators, delivering high-end 360° sound without distortion. What's more, a 3-inch neodymium subwoofer along with XBass technology emphasizes low frequencies, for an even better effect.

### Rugged construction

The Tribit speaker is fully water and dust resistant, so you can use it without worrying about damage. This is possible thanks to the use of high-quality materials. What's more, it is equipped with a practical handle that will make it easy to transport the speaker. On the other hand, operation of the BTS31 is facilitated by buttons located at the top.

### Durable battery

The product is equipped with a 10000 mAh rechargeable battery, which allows for about 6 h of operation. In addition, a USB-A to USB-C cable is included, which will make charging the device easier. After about 6 h it will be ready to continue working.
