Headphones Tribit Starlet01 Kids Wired KH01 (Green)

Ref: 6972838613735

Tribit Starlet01 Kids KH01 Wired Headphones (green)

Tribit wired headphones are designed with younger users in mind. They feature an ergonomic design and offer protection against hearing damage. What's more, they feature wide compatibility, and the remote control integrated into the cable will allow you to manage the operation of the KH01. In addition, you can connect 2 pairs of headphones to one device. They also feature a built-in microphone, allowing you to make phone calls.

High quality sound

The headphones are equipped with 40mm neodymium drivers, which translates into impressive sound quality. As a result, they provide excellent treble and deep bass, highlighting the best in your favorite songs.

Hearing protection

For the sake of your child's health and safety, the headphones are equipped with a hearing protection feature. There is a special switch on the remote control integrated into the cable, with which you can adjust the volume. The 85 dB level will work well in normal conditions, and 94 dB - in places such as a park, bus station, etc., while not causing damage to hearing.

Ergonomic design

The headphones are designed to provide unparalleled comfort. They were created with skin-friendly materials, so you can be sure that it is completely safe to use them. What's more, the soft earcups are comfortable, and the adjustable headband will allow you to adjust its length to suit your individual needs. In addition, they feature a foldable design, which will make them easy to transport.

Compatible

With Tribit Starlet01 Kids KH01 you don't have to worry about compatibility issues. The headphones work with your smartphone, XBOX console, tablet, Nintendo Switch, or tablet. What's more, they are equipped with a 3.5mm port, which allows you to connect 2 pairs of KH01 together and listen to music from one device.
