Laptop stand Omoton LD01 (Grey)

Laptop stand Omoton LD01 (Grey)

Omoton Laptop Stand LD01 (grey)

Do you often use your laptop with an external monitor and keyboard? The Omoton LD01 laptop stand helps you to save space on your desk and to keep it tidy! It allows you to store your device vertically and is distinguished by its compact size. The width can be adjusted by means of the included Allen key. The product is also distinguished by its extremely robust construction.

More space on your desk

This compact stand allows you to store your laptop vertically while charging or working with external monitors. This allows you to better organise your desk space and gain more space! The accessory is also distinguished by its adjustable width (14-69 mm). This means that it is compatible not only with various laptop models, but also with smartphones, tablets or keyboards.

Exceptional stability

The stand is equipped with a wide base, making it extremely stable. Don't worry that a device placed on it will topple over! The product also has silicone pads that prevent it from sliding around on your desk. They also protect your laptop from scratches.

Top quality workmanship

The stand is made of high-quality aluminium alloy, which has been additionally CNC machined. This makes it extremely robust. It is also
