Wall charger XO L57, 2x USB + USB-C cable (white)

XO L57 network charger, 2x USB + USB-C cable (white)

The XO L57 charger will allow you to conveniently charge up to 2 devices simultaneously. It is equipped with 2 USB ports and provides a maximum current of 2.4A. It also features a lightweight, portable design and guarantees safe use. You will also find a USB to USB-C cable included.

Charges up to 2 devices in a short time

With 2 available USB ports, you can connect 2 devices to the charger at the same time. Charge your smartphone and tablet or plug 2 phones - yours and another household member's - into the L57. This way no one will have to wait for their turn! What's more, the maximum current of 2.4A allows you to charge your devices in a surprisingly short time.

Safe charging

The L57 charger will also ensure your safety of use. It has been protected against short circuit, overvoltage, overcurrent and overheating, among other things. Don't be afraid of damaging it! In addition, its housing was made of durable, flame-retardant materials, which translates into its durability.

Lightweight and handy

Are you often away from home and traveling? Get a charger that you can always have on hand and don't lose the ability to conveniently charge your devices when you're away! The L57 weighs only about 34g and is compact enough to easily fit in your purse, suitcase or backpack.
