

Adapter USB-C to Micro USB XO NB149-C (black)

Ref: 6920680869213

Adapter USB-C to Micro USB XO NB149-C (black)

XO NB149-C USB-C to microUSB Adapter (black)

Enhance your capabilities with the NB149-C adapter from XO. The product allows you to connect a device equipped with a USB-C connector to a device with a microUSB interface. The adapter provides fast data transfer and efficient charging of phones, tablets and equipment equipped with a microUSB port. The maximum current is 2.4 A. The product supports QC2.0 and Huawei FCP fast charging protocols. To reduce the risk of loss, a lanyard is included.
