ENCHEN Aurora T3 sonic toothbrush (pink)

Get a smile that impresses. The ENCHEN Aurora T3 sonic toothbrush will allow you to properly take care of your oral hygiene, as well as whiten your teeth. The device is distinguished by its high vibration frequency, which reaches up to 42,000 vibrations per minute. It offers as many as 3 modes - each of which allows you to choose from 3 levels of intensity. A timer helps control the cleaning time, and thanks to a powerful 2,500 mAh battery, one charge is enough to use the toothbrush for up to 90 days. Also noteworthy is the IPX7 waterproof rating, as well as a travel lock that allows you to transport the device conveniently.

Perfect for everyone

Take care of your dental health with an ENCHEN product. The sonic toothbrush offers 3 brushing modes, and each mode allows you to choose the intensity level from 3 options. Thus, it meets all the needs of different users. Cleaning mode is perfect for everyday use. When you select it, the backlight color changes to pink. Another of the modes - Sensitive - is marked with a purple color and will be perfect for those with extremely sensitive gums. The last of the modes is Whitening. It is marked with a yellow color and will help you whiten your teeth.

Reliable performance

With the ENCHEN sonic toothbrush, you can be sure that you will effectively clean even hard-to-reach places in your mouth. The Aurora

T3 is equipped with a powerful motor that allows it to work at a frequency of up to 42,000 vibrations per minute. The device removes up to 10x more plaque than manual toothbrushes. Boost your confidence with a beautiful smile!

Ease of use

The Aurora T3 is equipped with a practical button that will allow you to efficiently turn the device on and off, select the mode and intensity. That's still not all! The toothbrush remembers the last used mode. A light indicator will inform you about its operation. Personalize the operation of the device and enjoy delightful results!

Intelligent timer

Conveniently brush your teeth without the need to control the elapsed time since you started brushing. The smart timer built into the Aurora T3 model will remind you every 30 seconds to change the cleaned area. After 2 minutes, the device will automatically stop, so you can be sure you're spending enough time on your oral hygiene. Bet on convenience, functionality and efficiency with ENCHEN!

Impressive working time

The ENCHEN sonic toothbrush is equipped with a powerful 2500 mAh battery. Thanks to this, one charge is enough to use the device for 360 minutes, which translates into up to 90 days! You will renew the battery's energy in about 12 hours using the included base and charging cable. All you have to do is connect the base to a compatible device that has a USB port. Once the toothbrush is plugged in for charging, a light indicator will activate.

Attention to detail

You don't have to limit yourself and can freely use the ENCHEN sonic toothbrush in the bath or shower. The device is distinguished by its IPX7 waterproof rating. This means you can also clean it under running water without worry. What's more, the Aurora T3 model has a travel lock, which will allow you to transport the toothbrush without any problems. Take the device with you on a trip and impress with a beautiful smile.
