

MFi wall charger LDNIO A2318M, USB-C+USB, USB-C to Lightning

Ref: 6933138700471

MFi wall charger LDNIO A2318M, USB-C+USB, USB-C to Lightning

LDNIO A2318M, USB-C+USB, USB-C to Lightning 20W network charger

Charge up to 2 devices simultaneously and save time. The LDNIO A2318M charger is equipped with 2 ports (1x USB-C, 1x USB-A) and provides up to 20W of power. It supports such fast charging standards as PD and QC, and is MFi certified, which means it's perfect for powering Apple devices. You'll also find a 1m USB-C to Lightning cable included.

Fast charging

Use the charger to charge your Apple devices and more in no time. The A2318M's USB-A port supports the QC standard, while the USB-C port supports PD fast charging. The product also offers up to 20W of power. This allows you to charge selected iPhones up to 65% in just about 30 minutes! What's more, the charger is compatible with most smartphone models (with PD or QC), and with 2 available ports you can charge 2 devices at the same time. This will save you time!

Enjoy safe use

The charger has received official MFi certification, which means that it allows you to charge Apple-branded devices in complete safety. What's more, the product is effectively protected against overload, overcurrent, overvoltage, overheating, short circuit and overcharging, among other things. In addition, the housing of the A2318M was made of durable, flame-retardant PC.

Portable design

Don't sacrifice the ability to quickly charge your devices when you go on vacation or on a business trip. The LDNIO A2318M charger features a lightweight, compact and portable design - transporting it won't be a problem. You can easily fit it in your suitcase, purse or backpack - so you can always have it with you!
