Ref: 6921002607803

Cable Mcdodo CA-0780 Lightning to 3.5mm AUX mini jack, 1.2m

Mcdodo CA-0780 Lightning to mini jack 3.5mm AUX cable, 1.2m (black)
The Mcdodo cable provides high quality sound, and thanks to its Lightning and 3.5mm ports, you will connect it to various types of devices. While the solid workmanship guarantees the durability of the product and prevents interference.

Wide compatibility
The product works with Apple-branded smartphones, including the iPhone 12/11 Pro Max/SE/8. In addition, with the help of the 3.5 mm port you can successfully connect it to a speaker, wireless headphones or AUX output in the car. As a result, you can comfortably use navigation or listen to music.

High quality sound
Mcdodo CA-0780 provides HiFi sound, allowing you to enjoy the richness of details and new quality of your favorite songs. What's more, the use of pure copper prevents interference.

Durable design
The Mcdodo cable is designed for long-term use. The high-grade aluminum alloy finish protects against scratches and corrosion, while the use of nylon translates into resistance to damage to the cable. The product has also passed a number of durability tests.
