

## Charger Mcdodo Nano GaN CH-0151, USB + USB-C, 33W (black)

Ref: 6921002601511

Charger Mcdodo Nano GaN CH-0151, USB + USB-C, 33W (black)

Mcdodo Nano GaN Charger CH-0151, USB + USB-C, 33W (black)

Using advanced GaN technology, you get a charger with 2 ports in a compact size that is fully compatible with your home electronics. With a maximum power of 33W and a range of safety features, you'll be charging your phone in no time, safe in the knowledge that it's fully safe.

### Reliable GaN technology

GaN is a high-tech material used extensively in space and the military field. It is characterized by its small size and light weight - up to half the weight of traditional materials - as well as its effective reduction of heat generation and high efficiency.

### Even more power

The charger is similar in size to the iPhone12 camera with 6 times the power of Apple chargers (5V/1A). With a total power output of 33W, you'll charge your devices in much less time - studies have shown that the iPhone 12 will charge to 30% in just 15 minutes.

#### Saving time and space

The McDodo CH-0151 charger is equipped with USB-C and USB-A ports, so you can charge 2 devices simultaneously. It is compatible with Xiaomi phones, Samsung phones, iPhones, Dell notebooks and MacBook notebooks, as well as smaller gaming devices.

#### Safe charging

That's not all! The McDodo CH-0151 charging station features a smart temperature controller and a smooth heat dissipator to prevent overheating, so you can safely use your device while charging. You can also easily plug in smaller equipment like headphones without worrying about damaging the battery.

Manufacturer McDodo Name 33W GaN dual port charger (EU plug) Model CH-0150 Material fireproof PC Dimensions 32.4 x 32, 4 x 32.4 mm Weight 51g Color black Input power 100-240V ~50/60Hz 0,8A Output power USB-C: 5V,3A/9V,3A/12V,2.5A/15V,2A/20V,1.5A, PPS: 3.3V-11V, 3A, 33W Max
