Ref: 6958377513002

Car Charger Romoss AU420T, USB-C + USB, PD + QC 20W (Silver)

Romoss AU420T 20W car charger (silver)

A car charger is a must-have accessory for any driver on long hours of car travel. The Romoss AU45T car charger offers fast charging with up to 20 watts of power. It supports multiple fast charging protocols, including PD 3.0 or QC 4.0. It has 2 USB ports, and stands out for its wide compatibility. Multi-level protection ensures safe use, and thanks to its small size, it won't take up much space in your car.

Quickly renews energy

Be assured that your smartphone will not discharge during a long car trip. The car charger offers charging with up to 20 watts of power. It also supports PD 3.0, QC 4.0, AFC, SCP and other fast charging standards. In as little as 30 minutes, you'll charge your iPhone 12 to 60%, or in 100 minutes, renew the Huawei P40's power to full.

Charge up to 2 devices at the same time

Conveniently charge 2 devices at the same time. The Romoss charger features a USB-C and USB-A port. This allows both you and your passenger to connect your phone for charging. No longer does anyone have to wait indefinitely for their turn! You can also forget about problems with the compatible one. You can successfully charge your smartphone, tablet or wireless headphones with it.

For the sake of safety

You don't have to worry about the safety of your devices. The car charger has a number of safety features that effectively protect your device from damage. Among other things, they protect against overcharging, overloading, short circuits or temperature effects. What's more, the smart chip automatically adjusts the charging parameters to the connected devices, ensuring maximum safety.

Compact design

The carefully considered design will provide you with unparalleled comfort during use - you can easily pull it out of the cigarette lighter socket thanks to the folding handle. Moreover, it stably stays in the socket, even when driving on a bumpy road. The charger is compatible with most vehicles that have a cigarette lighter socket.
