Romoss CB25N 3-in-1 USB-C / Lightning / Micro 3A USB cable 1m (gray)

The Romoss cable offers USB-C, Lightning and micro USB ports, so you can connect 3 devices to it at the same time. It stands out for its wide compatibility, and thanks to the use of high-quality materials, you can use it for a long time.

Charge 3 devices at the same time

You no longer have to wait for one device to charge to connect another. The Romoss cable is equipped with USB-C, Lightning (8-pin) and micro USB ports, so you can successfully connect 3 devices to it.

Wide compatibility

Worried that your equipment won't work with Romoss CB25N? Don't be! The USB cable is compatible with Android and OS operating systems, so you will connect your smartphone or tablet to it. What's more, it fits MP3 players, Bluetooth speakers, GPS navigation, digital cameras, printers or game consoles.

Safe charging

The cable is designed to make it completely safe to use. The copper core is responsible for fast and stable charging without interference. What's more, the built-in chip allows you to quickly charge your device while not damaging it.

Durable construction

The Romoss cable is made of aluminum alloy materials, making it resistant to damage and oxidation. Meanwhile, the nylon braid provides resistance to cracking and tangling. The product has also passed numerous tests for durability - it is resistant to low and high temperatures.
