

## Wall Charger XO CE01 20W, PD (white)

Wall Charger XO CE01 20W, PD (white)

Ref: 6920680879830

XO CE01 network charger (white)

The XO CE01 mains charger features a USB-C port and provides fast PD charging with 20 watts of power. It is lightweight and compact, so you can always have it within reach. In addition, there is a 100-240V AC voltage range, so you can use it anywhere in the world.

Even faster charging

Now you can charge your device in no time. The XO mains charger supports fast PD charging with a maximum power of as much as 20 watts - it charges up to 2 times faster than a standard charger! As a result, you will restore power to your iPhone in just a few moments.

Take it wherever you want

Enjoy fast charging wherever you are! The CE01 is distinguished by its lightweight and compact design - it won't take up much space in your backpack or bag. It is the perfect travel companion. What's more, it is compatible with a universal voltage of 100-240V, so it will also work great abroad.
