

## Blitzwolf BW-CLT2 Smart Ceiling Lamp LED

Ref: 5905316141124

Blitzwolf BW-CLT2 Smart Ceiling Lamp LED

Blitzwolf smart LED ceiling lamp BW-CLT2

The Blitzwolf BW-CLT2 smart LED ceiling lamp is suitable for almost any occasion. You can easily adjust its operation to your needs - it allows you to adjust brightness and color temperature. The voice and app control function makes it easy to use, and the minimalist design makes the device fit into any interior.

### Unique ambience

Depending on the situation, you can choose the device's mode. When you turn on the first mode, the BW-CLT2 will fill the room with uniform, warm light while you relax. On the other hand, the RGB mode with 16 million colors to choose from will be perfect for parties and gatherings with friends.

### Customize its performance to suit your needs

The device offers a color temperature adjustment function, so you can customize it to your needs. The light is soft and pleasant to the eye and does not cause discomfort. In addition, you can choose from two shades of white. The warm light is ideal for reading, and the cold color will be useful when working, for example, in front of the computer.

### Control with the app

With the app, you have access to many functions and settings. You can turn the lighting on/off, set the brightness or color and much

more. The app makes it much easier to use, you don't even have to get up from the couch or be at home. BW-CLT2 is compatible with Smart Life and Tuya apps.

#### Voice control

The lamp from Blitzwolf also features voice control. To turn the device on or off, all you have to do is issue a voice command. The BW-CLT2 works with Amazon Alexa and Google Home.

#### Even more capabilities

The BW-CLT2 has a number of practical features, for even more convenience. The schedule function lets you decide when the light will turn on and off at the time you set. In addition, the application remembers your settings so the next time you use the device, the previous mode will turn on.

#### Included

lamp

remote control
