Adapter 7w1 HUB Blitzwolf BW-TH5 USB-C

Ref: 5905316141179

Adapter 7w1 HUB Blitzwolf BW-TH5 USB-C

Blitzwolf BW-TH5 7-in-1 Adapter.
Enhance the capabilities of your laptop. The 7-in-1 Blitzwolf BW-TH5 adapter is equipped with 7 ports - 3x USB 3.0, USB-C PD, SD card reader, TF card reader and HDMI port. It allows you to display video on a larger screen in 4K@30Hz quality, as well as transfer data at speeds of up to 5 Gbps. It also supports fast PD charging with up to 100 watts of power. It is distinguished by its handy and durable design, while multi-level protection ensures safety.

Display images in high quality
Create your own movie theater in your living room. The device allows you to display images on a larger screen, such as a TV or projector - just plug in an HDMI cable (not included). It offers stunning picture quality in 4K@30Hz and 1080p@60Hz resolutions. There are also 2 display modes at your disposal - Mirror Mode and Extended Mode. Get an even better experience when watching movies or playing games!

Even more possibilities
USB3.0 ports allow for lightning-fast data transfer speeds of up to 5 Gbps. You can also use them to connect a computer mouse or speakers. With the help of the adapter you will renew the energy in a short time, for example, in your smartphone - the device supports fast Power Delivery charging with a power of up to 100 W. TF and SD card readers are also available.

Carefully considered design
High-quality materials have been used for the BW-TH5 adapter, which is extremely durable, as well as resistant to wear and scratches. Non-slip silicone parts prevent the device from sliding, for example, on a desk. It is distinguished by its lightweight and compact design, so you can always have it at hand - you can successfully fit it even in your pocket.

Wide compatibility
Are you worried that your devices will not work with the hub? Don't be! The adapter is compatible with many popular devices that have a USB-C port. You can easily connect it to a Huawei MateBook / Xiaomi Pro 15.6" / HP Spectre 13 laptop or Samsung S9+ / Huawei Mate 10 / HTC10 smartphone, among others. It works with Windows, Mac OS/X or Linux.

Multi-level protection
You don't have to worry about damaging your devices while using the adapter. A number of security features guarantee a high level of safety. They effectively protect against short-circuits, overvoltage or overload, among other things. They also provide protection against overheating. So you can be sure that all your equipment is fully safe.
