TWS Blitzwolf AA-UM15 Ultra slim headphones (black).

Enter the world of music. The TWS Blitzwolf AA-UM15 headphones feature an ultra-slim design, so you can always have them within reach. Bluetooth 5.1 is responsible for reliable and instant connection, and they feature 13-millimeter dynamic drivers that deliver stunning sound quality, also offering CVC noise reduction. They have an operating time of 5 hours and are IPX5 waterproof.

Reliable connection

Forget about interference and other connection problems. The headphones use Bluetooth 5.1 technology, which provides a fast and stable connection with a range of up to 10 meters. So you can enjoy smooth signal transmission, free of lag.

High quality sound

Experience previously unknown details of your favorite songs. The Blitzwolf AA-UM15 headphones are equipped with dynamic 13 mm drivers, which guarantee clear and detail-saturated sound. Immerse yourself in the world of music!

Say goodbye to persistent noise

Talk freely on the phone in almost any place, even extremely crowded ones. The headphones have built-in, high-quality microphones that will accurately record your voice. In addition, CVC noise reduction precisely filters out any unnecessary background noise. This way

you can be sure that you and your interlocutors will always hear each other perfectly.

Up to 5 hours of operation

Listen to music for as long as you want. The AA-UM15 provide up to 5 hours of operation. In turn, their talk time is about 2.5 hours. You'll find a practical charging case included to extend their working time. Charging the headphones themselves won't take long - after about 1.5 hours they will be ready for operation again.

Carefully thought-out design

The headphones feature IPX5 water resistance - they are not intimidated by raindrops or sweat. So you can use them, for example, during a workout without worry. They are also distinguished by a stylish and modern design, so they will be an original addition to your everyday styling. In addition, the charging case is extremely thin, so you can easily put it even in your pocket and take it with you anywhere!
