Blitzwolf BW-TC23 USB-C to USB-C cable 100W 1.8m (black)
The BlitzWolf BW-TC23 is a cable for transferring data between devices with a USB-C input at 480Mbps. It also enables instant charging, and the built-in LED display will indicate the actual intensity during charging. The cable is made of zinc alloy. In addition, it has a nylon braid, making its construction extremely sturdy.

Smart charging for your devices
You no longer have to wait indefinitely for your product to charge. The product supports fast charging protocols (PD3.0, PPS, QC4.0+QC3.0), which translates into instant charging of your devices. What's more, wide compatibility allows you to use with Samsung or Apple devices, and the convenient 1.8m length will make use even more convenient.
