Cage PolarPro LiteChaser for iPhone 14 Pro

LiteChaser Pro Polarpro cage case for iPhone 14 Pro

Make it easy to record videos with your iPhone 14 Pro. The LiteChaser Pro cage case by Polarpro is made of high-quality aluminum and allows for simple yet quick installation of additional accessories. It offers 2 cold shoe mounts and 8 1/4"-20 holes, and features MagSafe compatibility. You will also find an additional silicone insert in the kit. At the same time, the cage is very easy to install - you don't need any tools for that.

Wide compatibility - many mounting options

Enhance the capabilities of your iPhone 14 Pro and record even better video footage. The case is equipped with 2 cold-shoe mounts and as many as 8 1/4"-20 holes, so you can freely mount additional accessories, such as tripods and mounts. What's more, the product is compatible with LiteChaser Pro filters designed for iPhone 13 or 14, LiteChaser Pro iPhone 14 Handle and Moment M-Series lenses (sold separately).

Enhanced design

The case was created specifically with the iPhone 14 Pro in mind. This means that it will fit your smartphone perfectly! The product is extremely sturdy - durable aluminum was used for its construction. In addition, an additional silicone insert will protect your phone from scratches. The case is also compatible with MagSafe, and thanks to its well-thought-out design, it allows stable mounting of selected

accessories in an extremely short time.
