

Wall charger LDNIO A2204 2USB + Lightning cable

Ref: 5905316141711

Wall charger LDNIO A2204 2USB + Lightning cable

LDNIO A2204 2USB mains charger + Lightning cable

LDNIO A2204 charger is distinguished by 2 smart USB ports that detect connected devices and automatically adjust power supply to them. You don't have to worry about too much voltage or overheating. What's more, the product is widely compatible, and the ports support QC 3.0, so you'll renew the power in almost all your equipment in no time. This task will be facilitated by the included Lightning cable.

High-quality materials

The A2204 is made of fire-resistant materials, and tests confirm their durability and safety. All this makes the electrical voltage stable, and your devices are protected from overheating or short-circuiting.

Wide compatibility

The A2204 network charger works with devices from almost all well-known manufacturers, so you don't have to worry about its compatibility. It supports fast charging protocols and provides fast charging. This task will be facilitated by the Lightning cable you will find in the kit.
