

Wall charger LDNIO A2204 2USB + USB-C cable

Ref: 5905316141735

Wall charger LDNIO A2204 2USB + USB-C cable

LDNIO A2204 2USB mains charger + USB-C cable

LDNIO A2204 charger is distinguished by 2 intelligent USB ports that detect connected devices and automatically adjust power supply to them. You don't have to worry about too much voltage or overheating. What's more, the product is widely compatible, and the ports support QC 3.0, so you'll renew the power in almost all your equipment in no time. This task will be facilitated by the included USB-C cable.

High-quality materials

The A2204 is made of fire-resistant materials, and tests confirm its durability and safe use. This means that the electrical voltage is stable, and your devices are protected from overheating or short-circuiting.

Wide compatibility

The A2204 network charger works with devices from almost all well-known manufacturers, so you don't have to worry about its compatibility. It supports fast charging protocols, and provides fast charging. You will find a universal USB-C cable included.
