LDNIO A2512Q 2USB 18W network charger + USB-C cable

Charge up to 2 devices simultaneously and save time. The LDNIO A2512Q charger is equipped with 2 USB-A ports and supports QC3.0 fast charging. It provides a total power of up to 18W and features wide compatibility. It is also very lightweight and portable - you can carry it with you at all times. The kit also includes a USB-C cable.

Fast charging

Don't wait too long until the devices you need are ready to use. The LDNIO charger supports the QC 3.0 fast charging standard, and its total power reaches 18W. So you can charge your tablet, phone or wireless headphones in no time. As a result, you will save time!

2 available ports

With the A2512Q charger, you can charge 2 devices at the same time - no more waiting for one to be ready before connecting another! Don't worry about compatibility issues either. The product perfectly fits many models of smartphones and tablets from well-known brands.

Safe use

No more worries about the safety of the charger and the devices connected to it. The A2512Q has received multi-level protection against

overcurrent, overvoltage, overcharging, overheating, short circuit and more. What's more, flame-retardant PC plastic was used for its housing. This makes its use completely safe!

Improved design

Going on vacation or to a dormitory? Take the charger with you! The product is extremely lightweight and compact, and thanks to its compatibility with 100-240 V, you will also use it abroad without any problems. Don't give up the ability to quickly charge your devices when you are not at home! In addition, the charger is distinguished by its original, modern design.
