

Wall charger LDNIO A4403C USB, USB-C 20W + MicroUSB cable

Ref: 5905316142336

Wall charger LDNIO A4403C USB, USB-C 20W + MicroUSB cable

LDNIO A4403C USB, USB-C 20W mains charger + micro USB cable

The LDNIO A4403C network charger is equipped with USB-A and USB-C ports, so you can charge 2 devices at the same time. What's more, it uses 30W of power, allowing you to quickly renew your equipment's energy and stands out for its wide compatibility. You'll also find a USB-A to micro USB cable included.

Safe use

The charger was created from fire-resistant PC and has special safety features, so you can use it without worrying about damage. It offers protection against short circuit, overheating, over-discharge, overvoltage, electromagnetic field, overcharging, etc.

Fast charging, wide compatibility

LDNIO A4403C is equipped with ports: USB and USB-C, which allows you to charge 2 devices simultaneously. What's more, it uses 30 watts of power, consequently reducing charging time by about half. You also don't have to worry about compatibility issues. The charger works with smartphones, tablets and laptops.

Lightweight and compact

Vacation, work, university - the LDNIO A4403C charger will work well in these and similar situations. The product is distinguished by its

lightweight and compact design, so you can always carry it with you.
