

LDNIO C511Q 2USB Car charger + MicroUSB cable

LDNIO C511Q 2USB Car charger + MicroUSB cable

Ref: 5905316142671

LDNIO C511Q 2USB car charger + MicroUSB cable

LDNIO C511Q car charger allows you to charge 2 devices simultaneously thanks to its USB-A ports. It supports QC 3.0 fast charging protocol, so you don't have to wait too long for your device to be ready to use again. What's more, a number of safety features and being made of fire-resistant PC make it safer to use. In addition, you'll find a 1m USB-A to micro USB cable included.

Fast charging

Don't wait for one device to charge to connect another - the LDNIO charger is equipped with 2 USB-A ports. What's more, the QC 3.0 fast charging protocol will renew your equipment's energy 4 times faster than other chargers - your smartphone will charge to 80% in about 35 min. In addition, it is compatible with smartphones, tablets, navigators, video recorders, cameras, etc.

Multi-level protection

The car charger is equipped with various protections, so you don't have to worry about damage. It offers protection against overcurrent, short circuit, overcharging, overheating, short circuit, electromagnetic field, etc. In addition, being made of flame-resistant PC increases the safety of use.
