

LDNIO C506Q USB, USB-C Car charger + Lightning Cable

Ref: 5905316142510

LDNIO C506Q USB, USB-C Car charger + Lightning Cable

LDNIO C506Q USB, USB-C car charger + Lightning cable

With the LDNIO C506Q car charger, you can renew the power of 2 devices at the same time. It uses 30 watts of power and supports QC 4.0 and PD 3.0 charging protocols, so you don't have to wait too long for your equipment to be ready to use again. The compact design doesn't take up too much space, and the wide compatibility allows you to connect many devices to it. In addition, a number of safety features are responsible for safe use.

Fast charging, wide compatibility

The product is equipped with USB-A and USB-C ports, allowing you to charge 2 devices simultaneously. What's more, QC 4.0 and PD 3.0 fast charging protocols mean you don't have to wait too long for your devices to charge. What's more, the C506Q works with smartphones, tablets, navigators, air purifiers, etc.

Safe charging

LDNIO car charger is equipped with special safety features so you can use it safely. It provides protection against overcurrent, short circuit, overcharging, overheating, electromagnetic field, short circuit, etc.
