Adapter Hub 10in1 Orico 10x USB 2.0

Ref: 6936761899390

Adapter Hub 10in1 Orico 10x USB 2.0

Orico 10in1 Adapter Hub 10x USB 2.0

Choose a practical solution and use multiple devices at the same time. The Orico Hub 10in1 Adapter P10-U2-V1 opens up new possibilities for you without any disruption. The 10 USB 2.0 ports give you the opportunity to install the accessories you need at the moment, including phones, computer, hard drive or printer. It transfers data at speeds up to 480Mbps. An adapter with inadequate power can damage the hard drive connected to it, which is why the P10-U3-V1 comes with a 12V3A power adapter that provides adequate power to all connected devices.

Total confidence

You don't have to check every now and then if your device is definitely connected. The Orico Hub 10w1 adapter is equipped with LED indicators that allow you to monitor the status at any time. In addition, the safety systems used protect against overload and overvoltage, so you do not have to worry about losing important data stored on connected devices.

Compatible

Connect all your devices to almost any system. The P10-U2-V1 adapter meets most of the required expansions. It supports Windows XP / Vista / 7 / 8 / 10, Mac OS and Linux. You can also easily connect hard drive, u-disk, card reader, phone, digital camera and many other devices. No plug and play driver required.

Functionality and design
Organizing your work can be easier than you think. Just have everything at hand. Forget about unplugging one device to plug in a new one and enjoy the convenience of the Orico P10-U2-V1 Adapter. All ten ports transfer data at up to 480Mbps, so you don't have to constantly wait for all your data to load to get to work. The simple design with a sand finish means it will fit in any space.
