Nillkin CP+PRO Tempered Glass for Xiaomi 12T/12T Pro/Redmi K

CP+PRO Nillkin Xiaomi 12T/12T Pro/Redmi K50 Ultra tempered glass

Make sure your smartphone is well protected and bet on Nillkin's proposal. The CP+PRO tempered glass features a hardness of 9H and resistance to scratches or impacts. It offers excellent transparency, and its installation will not cause you any trouble. The product is compatible with Xiaomi 12T, 12T Pro and Redmi K50 Ultra smartphones.

Reliable protection

Every effort has been made to ensure that the Nillkin product effectively protects the screen of your smartphone. High-grade tempered glass with 9H hardness was used in the production. As a result, it is resistant to scratches or impacts. What's more, the oleophobic and hydrophobic coating prevents greasing and leaving unsightly fingerprints.

Refined design

The 2.5D design with reinforced edges supports effective display protection. What's more, the high transparency of the glass guarantees a pristine image, while the thin structure ensures that touch operation is not affected. Opt for a combination of functionality and convenience with Nillkin!
