

Power strip with 1 AC socket, 2x USB, 2x USB-C LDNIO SC1418,

Ref: 6933138600030

Power strip with 1 AC socket, 2x USB, 2x USB-C LDNIO SC1418,

Power strip with 1 AC outlet, 2x USB, 2x USB-C LDNIO SC1418, 2500W (white)

Get more space with the Ldnio power strip. The strip is equipped with one AC outlet and two USB and two USB-C ports that support PD3.0 and QC3.0 protocols, so you can charge several devices at once in no time. The long, reinforced cable provides a stable power supply of 2,500 watts, making it suitable for most home appliances or mobile devices.

Wide compatibility

You don't have to worry about compatibility - the USB and USB-C ports support fast charging protocols and are compatible with almost any device. You can forget about extra chargers, as the strip can accommodate as many as 4 devices at the same time and provide fast charging with up to 65 watts of power. The strip supports various outlet standards (100 - 240 V), so it will be great for traveling.

Safety first

The Ldnio power strip has been equipped with a number of electrical safety features, so you can be sure that each of the connected devices is fully safe. It has been made of high-quality, flame-resistant PC. You don't have to worry about short circuit, overcurrent, overheating or overcharging.
