

LDNIO LS32 1m Lightning Cable LDNIO LS32 1m Lightning Cable

LDNIO LS32 Lightning cable 1m

Instantly renew the energy in your iPhone with the LDNIO LS32 cable. The product allows for fast and stable charging at 2.4A. It also allows you to charge your device and transfer files at the same time. It is made of high-quality materials that are characterised by durability and resistance to wear and tear. So you don't have to worry about breakage or other damage to the cable. It also features a smart chip that automatically adjusts the charging parameters to the connected device.
