LDNIO LS462 LED USB-C cable, 2 m

Instantly restore power to your device with the LDNIO LS462 cable. The cable supports fast charging with 2.4A and stands out for its incredible durability. It allows charging and data transfer at the same time. In addition, it is equipped with a colour LED indicator. It is compatible with devices that have a USB-C port. The 2 m cable will give you almost unlimited freedom of use.

Fast charging

You no longer have to waste time waiting for your smartphone to be ready to use. The cable supports fast charging with a current of 2.4A. This means that it only takes a few moments to restore power to your tablet or phone.

Carefully thought-out design

Environmentally friendly materials have been used to make the cable with impressive durability. The cable is resistant to being pulled and bent repeatedly, so you can be sure it will serve you for a long time. What's more, it has a built-in LED indicator that lights up in up to 7 different colours.
