Portable Label Printer Niimbot D110 (white)

Ref: 6972842747945

Portable Label Printer Niimbot D110 (white)

Niimbot D110 portable label printer (white)
The Niimbot D110 portable label printer will find its use, for example, at home or in the store. It stands out for its efficient operation and does not require ink. Thanks to its lightweight and compact design, it won't take up much space, and you won't have any problems operating it. What's more, it works with iOS and Android operating systems, and connects to your device via Bluetooth - just download the Niimbot app.

Various applications
You will use the Niimbot D110 at home to label, for example, food, toy or spice containers. At work, on the other hand, it will allow you to keep things in order - you will mark binders with important documents with it. In addition, it will find its use in clothing stores, jewelry stores, food stores or bakeries.

Efficient and convenient printing
The Niimbot D110 prints at a speed of 15-20 mm/s, so you won't have to wait too long for labels. What's more, its resolution is 203 DPI. It also requires no ink and allows you to print labels 12 mm wide. Moreover, it is compatible with iOS and Android operating systems.

Dedicated app

Mobilemax - Gadgets and Accessories
Rua Vasco da Gama n61, 8005-411, Estoi - Faro, Portugal

Operation of the device is facilitated by the Niimbot app. With it you can print any text, product barcodes, QR codes, images, excel table, emoticons or time and date. You can also create a serial print, product expiration date, etc.

Thoughtful design
The printer is distinguished by its portable design - its dimensions are 108 x 76 x 30 mm, and its weight does not exceed 137 g. You can successfully store it, for example, in a desk drawer. What's more, it works wirelessly - it is equipped with a 1200 mAh battery, and the included USB-C cable will facilitate charging. In addition, its use is simple and safe.
