Pet Trimmer Pawbby

Ref: 6971747870567

### Pawbby pet trimmer

Now you can take care of your pet's coat yourself - no need to spend money in pet grooming salons! Pawbby brand trimmer is extremely easy to use, and thanks to the specially designed head it ensures safe use. The device works extremely quietly and will serve you for up to 4 hours on a single charge. In the set you will also find 2 comb attachments, with the help of which you will be able to adjust the product even better to your pet's coat.

### High-quality blade

Pawbby trimmer will be perfect even for beginners. It is equipped with a high-quality blade and a powerful motor, so it trims the hair quickly and accurately without pulling or jamming. What's more, the specially designed head prevents cuts and ensures safe use. Don't be afraid that your pet will get hurt!

### Quiet operation

Is your pet not fond of noise? Is he annoyed by the loud noise of the vacuum cleaner? No worries - you can still use the trimmer! The device uses up to 3 ways to reduce noise, so it works surprisingly quietly. You don't have to worry that the annoying noise will startle your pet and make him squirm. With Pawbby you'll be able to trim his fur in peace!

#### Comb attachments included

Does your pet have long, thick hair? Or are you the proud caretaker of a rough-haired pet? Thanks to the included accessories, the trimmer will work perfectly in almost any situation! In the package you will find 2 comb attachments (3/6mm and 9/12mm), with the help of which you can easily trim your pet's hair to the desired length. Choose the best option for you!

#### Comfort of use

Make it easy for you to trim your pet's hair. The trimmer is equipped with an ergonomic handle, which fits perfectly in your hand and provides greater comfort of use. You can also easily disassemble the head of the device and wash it under running water and reuse it after drying. This will keep it in excellent condition for longer and protect your pet's skin from irritation.

#### Working time of up to 4 hours

Free yourself from tangled cords and enjoy freedom. The Pawbby trimmer works wirelessly - it's equipped with a durable 2000mAh battery. This allows it to work for up to 4 hours on a single charge! To charge the device, you only need about 3 hours. What's more, information about the status of the battery will provide you with a built-in indicator - just take a look!
