Ref: 6921002610803

Cable USB to USB-C Mcdodo CA-1080 with display , 66W, 6A, 1.

Mcdodo CA-1080 USB to USB-C cable with display, 66W, 6A, 1.2m (black)

Opt for innovative solutions. The 66W USB-A/USB-C cable from Mcdodo is equipped with a display that will provide you with information about the charging status of the connected device. The length of the cable is 1.2 meters, so you can freely use equipment whose energy is renewed. The CA-1080 supports various fast charging protocols, and its intensity reaches 6 A. What's more, with its help you can also transfer files at 480 Mbps.

#### Fast power restoration for your devices

Experience how fast you can charge your devices. The Mcdodo cable supports fast charging protocols, such as Huawei SCP, Samsung AFC, OPPO VOOC, VIVO and Xiaomi QC2.0, QC3.0 and QC4.0. Its power reaches 66 W and its amperage - up to 6 A.

#### Clear display

You no longer have to wonder what power your device is being charged with. The CA-1080 cable is equipped with an easy-to-read display, thanks to which you will check whether fast charging technology is supported.

#### Instant data transfer

The Mcdodo cable allows you to transfer data at speeds of up to 480 Mbps. So it only takes a few moments for your files to be transferred to the device of your choice. Forget about the long wait and enjoy lightning fast data transfer.

#### Refined design

The length of the cable is 1.2 meters, so you can maintain freedom of movement while using your smartphone connected to the charge. What's more, the CA-1080 has a smart chip that automatically adjusts the power to the device being charged. The product is made of sturdy materials, such as aluminum alloy and nylon. As a result, it is durable and will serve you for a long time. You will find Velcro included, which will make it easier to store the cable.
