Charge 3 devices simultaneously and save time. The Vention power charger is equipped with 3 ports - 1x USB-A and 2x USB-C. It provides up to 65 watts of power (on the USB-C port) and uses GaN technology, making it not only powerful, but also lightweight and compact. The product also ensures the safety of use - it is protected against overheating, short circuit and overvoltage, among other things.

Always on hand

Don't give up the ability to quickly charge your devices when you go on vacation or on a business trip. The charger is very light and handy - its dimensions are only about 31.7 x 39.8 x 70 mm. You will easily find a place for it in your suitcase, purse or backpack! The casing of the product is made of durable, flame-retardant PC plastic - don't be afraid of damaging it.

Impressive performance

One of the charger's USB-C ports allows charging with up to 65 watts of power. This means you can charge your phone, tablet or even laptop in no time! However, that's not the end of the possibilities. All the charger's ports support various fast charging standards, for example, QC, SCP, FCP and AFC. Charge 3 devices at the same time and don't waste time waiting for one to be ready before plugging in another!
