USB 2.0 to USB-C charging cable Vention CTFBF LED 3A 1m (black)

If you are looking for a reliable charging and data transfer cable that meets your highest expectations, look out for the Vention CTFBF Charging Cable. This innovative product is a combination of performance, safety and durability, designed to adapt to your fast-paced lifestyle.

Fast charging and data transfer

The Vention CTFBF cable is a must-have for those looking for not only performance but also speed. With up to 3A of current, it can charge devices such as the Xiaomi 11 to 100% in just 86 minutes, and will power the Samsung S21 to full power in 70 minutes. This cable also offers data transmission of 480 Mbps, enabling fast and seamless information exchange between devices. The Vention CTFBF is a practical, versatile and powerful cable that will meet the requirements of even the most demanding users.

Comfort of use

The Vention CTFBF is a symbol of quality and reliability. Equipped with a smart LED indicator that lights up when the power is switched on, it helps you quickly find your device even in the dark. The durability and longevity of this cable are guaranteed thanks to the use of the highest quality materials in the manufacturing process. In addition, the CTFBF ensures safe charging, protecting your devices from potential damage.
