

Wall charger 3x USB Vention FEA00-EU, 2.4A, 12W (white)

Ref: 6922794761582

Wall charger 3x USB Vention FEA00-EU, 2.4A, 12W (white)

Wall charger 3x USB Vention FEA00-EU, 2.4A, 12W (white)

The Vention FEA00-EU wall charger is equipped with 3 USB-A ports, allowing you to charge up to 3 devices simultaneously. It provides a maximum total current of 3.4A, which means you won't have to wait too long until your smartphone or tablet is ready to use again. The product is also distinguished by its wide compatibility, lightweight, compact design and multi-level security system.

Performance you care about

Charge your devices in much less time. The charger provides a total output of up to 3.4 A, or 2.4 A when using a single port. Its maximum power output is 17W. This means that to use it to charge, for example, an iPhone XS Max, you only need about 2 hours! The product also allows you to power 3 devices at the same time - charge more equipment at the same time!

Safe charging

The charger is equipped with a special chip that is responsible for intelligent power management and automatically adjusts the charging intensity to the needs of the connected devices. In this way, it minimizes the risk of damaging their batteries! The product is also protected against overcharging, overvoltage, short circuit, overcurrent and more.

Perfectly thought-out design

Take the charger to work, on vacation, to college or on the train - you don't have to give up the ability to conveniently charge your devices when you're not at home! The product is very light and compact - it will easily fit in your bag or backpack. The charger is also very durable and resistant to damage - its housing is made of durable, flame-retardant PC plastic.
