

## Car charger Joyroom JR-CL21, 4-in-1, 1x USB QC3.0, 2x USB-C

Ref: 6941237114273

Car charger Joyroom JR-CL21, 4-in-1, 1x USB QC3.0, 2x USB-C

Joyroom JR-CL21 car charger, 4in1, 1x USB QC3.0, 2x USB-C PD 150W (black)

Enjoy fast and convenient charging of your device while travelling in the car! The Joyroom JR-CL21 charger supports QC 3.0 and PD 3.0 fast charging protocols and offers up to 150W charging power. It features 3 USB ports, as well as a built-in car cigarette lighter socket. An advanced chip ensures safe use. It is compatible with 12-24V vehicles and a wide variety of devices.

### Instant charging

No more waiting indefinitely for your device to renew its energy! The charger supports Quick Charge 3.0 and Power Delivery 3.0 fast charging, and its maximum charging power reaches up to 150 watts. This means that charging your devices will only take a few moments.

### Even more features

The JR-CL21 has up to 3 USB ports - 2x USB-C and USB-A. As a result, both you and your passengers can charge your devices without hindrance - no one has to wait their turn anymore! What's more, the charger has a built-in cigarette lighter socket, so you can conveniently connect an additional car charger or Hoover to it. With Joyroom, you can forget about limitations!

#### Attention to detail

Now you can easily find the charging port even in the dark! The device features coloured backlighting to help you connect your devices to the charger. Charging your devices while driving in the dark is even easier! What's more, thanks to its carefully thought-out design, the Joyroom charger stays firmly in its socket even on bumpy roads.

#### Suitable for a range of devices

Forget about compatibility problems. The charger works with a wide range of devices. It's perfect for charging smartphones, tablets, as well as your Nintendo Switch console. You can also use it to power a navigation system, a car Hoover or a portable car fridge. It is fully compatible with vehicles that are equipped with a 12-24V cigarette lighter socket.
