

### Car charger Joyroom C-A09, 2x USB QC3.0 30W (black)

Ref: 6941237119438

Car charger Joyroom C-A09, 2x USB QC3.0 30W (black)

Joyroom C-A09 car charger, 2x USB QC3.0 30W (black).

Do you often travel by car? Do you need a reliable charger? Joyroom C-A09 hardware is something for you! This compact car charger will be able to renew 50% of your phone's battery in just 30 minutes! Moreover, it is equipped with 2 USB ports for even more convenience.

#### Convenient charging

The Joyroom C-A09 car charger is a compact device that will fit into any car. Its diameter is close to that of a coin at 23.38mm, so it won't interfere with the appearance of the car's interior. In addition, it will be very convenient to use, as it is equipped with 2 USB ports. From today you can simultaneously charge several devices at the same time!

#### High power

Despite its small size, the C-A09 charger hides in its great power, reaching up to 30 watts. From today, any of your equipment will always be ready for action, as it is equipped with fast charging. In just 30 minutes your phone will be able to recover as much as 50% of its battery!

#### Excellent quality

Joyroom car charger was made with the utmost care. The materials used for it are aluminum alloy and PC material, which is fireproof. It will also withstand high temperatures. This equipment will be reliable for any car trip, guaranteeing you durability and safety.

## Safety

Joyroom equipment is not only very convenient to use, but also safe. It has a number of safety features, including against overcharging, against high temperatures, and against short circuit. And that's not all! With Joyroom you are guaranteed safe use.
