Joyroom JR-ZS245 Car Air Vent Holder with Qi Inductive Charge

Joyroom JR-ZS245 car grille mount with Qi inductive charger (black)

The Joyroom JR-ZS245 mount allows you not only to comfortably use your navigation, but also to wirelessly charge your smartphone. Its output power reaches 15 watts, and LED backlighting gives it a stylish look. It allows 360° adjustment, so you can adjust the position of your smartphone to suit your needs. It automatically closes and has a release button that you use to open it.

Wide compatibility

The Joyroom car mount is compatible with smartphones with screen sizes ranging from 4.7" to 5.8". This means it will fit devices such as the iPhone 8 or Samsung Galaxy S20. What's more, it fits horizontal vents, and the special locking mechanism guarantees stability and security.

Comfort of use

The Joyroom JR-ZS245 car grille mount allows you to wirelessly charge your smartphone with 15 watts of power. What's more, it has a state-of-the-art mechanism that allows the holder to automatically open. If you want to remove your device from the holder, press the dedicated button. In addition, the silicone, magnetic and leather case does not affect the quality of charging. You can also adjust the position of your equipment in 360°.
