Joyroom JR-ZS259 car dashboard holder (black)

Joyroom JR-ZS259 (black) car dashboard mount

Take care of your comfort and safety while traveling - equip yourself with a practical dashboard mount that will keep your phone stable even on a bumpy road. The holder is easy to install, and the convenient clamp allows you to easily put down and remove the smartphone. A great advantage is the 360° free maneuverability, which allows you to arrange the phone in both vertical and horizontal positions. The JR-ZS259 is compatible with phones from 4.7" to 6.7".

Tailored to fit your needs

Thanks to its adjustable design, the mount is suitable for phones of different sizes - the JR-ZS259 is compatible with smartphones from 4.7" to 6.7". What's more, you can conveniently change its position and position your phone vertically or horizontally. Also noteworthy are the silicone inserts, so you don't have to worry about scratching your smartphone. The mount is shockproof and maintains a stable position even on a bumpy road.
