

## Joyroom JR-ZS313 magnetic air vent car holder (grey)

Ref: 6956116700478

Joyroom JR-ZS313 magnetic air vent car holder (grey)

Joyroom magnetic car mount for grille JR-ZS313 (gray)

Do you often use navigation? Make sure your phone is conveniently and securely positioned with Joyroom. The magnetic car mount is equipped with a special clip, which allows you to conveniently mount it on the grille. Dual neodymium magnets provide the required stability, and the 360° rotation capability will make it easy to place the phone in any position. At the same time, the product is really small, so it won't obstruct the view and interfere with your driving.

### Hassle-free installation

The product is equipped with a specially designed clip, which allows you to stably install the holder in the air vents of your car. The clip is distinguished by its well-thought-out design - it is perfectly balanced, and the triangular clasp ensures that once mounted the holder remains in place until you decide to remove it.

### Solid magnet

The magnetic base uses up to 19 tightly spaced, strong magnets that are capable of bearing a load of up to 2 kg! Such a solution will keep your phone securely in one place, so you don't have to worry about it falling or shifting, making it difficult to use the navigation while driving.

### 360° rotation capability

With the Joyroom JR-ZS313 mount, you really have a lot of possibilities. The magnetic base allows you to position your phone any way you want - horizontally or vertically. Use this feature to maximize your comfort while driving, or reposition your phone when the sun reflects in its screen. Worried about your device falling during this maneuver? Don't be! The solid magnet will keep it in place!

#### Wide compatibility

The holder works with most devices with a built-in Mag Safe module - just directly apply it to the magnetic base. Your phone doesn't use this feature? That's not a problem! In the kit you will find a magnetic ring that you can stick to the surface of your phone or case. This is enough to prepare your smartphone to work with the Joyroom JR-ZS313 mount.

#### Included

Magnetic car mount x 1

Mounting clip x 1

Cleaning kit x 1
