Rockbros face mask WB-001BK (black)

The Rockbros WB-001BK face mask is perfect for bike tours, mountain expeditions and more. It will provide excellent protection from the sun and wind and can be worn in a variety of ways. It uses a durable, stretchy material that is highly breathable.

Perfect for warm days

Do you often go on bike tours? Or do you like to climb mountain peaks? Provide yourself with reliable protection from the sun or wind! The Rockbros mask is made of stretchable, breathable material, so it prevents sweating and offers a pleasant cooling sensation.

Designed for your comfort

The Rockbros mask is extremely lightweight and comfortable. You can also wear it in a variety of ways. It is made of flexible, damage-resistant materials, which means it will serve you well for a long time. The universal size makes the product suitable for most users - regardless of gender or age.
