

## Smartwatch Joyroom JR-FT5 Fit-Life (Black)

Ref: 6956116717872

Smartwatch Joyroom JR-FT5 Fit-Life (Black)

Joyroom JR-FT5 Fit-Life smartwatch (black)

The Joyroom JR-FT5 Fit-Life smartwatch features a 1.83" TFT display for convenient access to notifications. It allows you to make and receive incoming calls, and also monitors your blood pressure and saturation around the clock. It will instantly notify you of new notifications and offers more than 80 sports modes, so everyone can choose the right sport for themselves. Check out what else it can surprise you with.

### Easy-to-read TFT display

The JR-FT5 smartwatch features a 1.83" TFT display with a resolution of 240 x 286, which translates into clear access to notifications. What's more, it offers various dial designs to choose from, so you can customize the look of the watch to your liking. This task will be made easier for you by the dial located on the side.

### Answer and make calls

No longer do you have to reach for your smartphone to answer an incoming call. Now you can do it from the smartwatch. The smartwatch also offers access to your contact list, allowing you to make calls.

#### For the sake of your health

The Joyroom JR-FT5 smartwatch is equipped with a special sensor that allows you to monitor your heart rate, blood saturation and blood pressure around the clock. In addition, it records sleep data, so you can eliminate bad habits and finally get a good night's sleep.

#### More than 80 sports modes

The Joyroom JR-FT5 smart watch is equipped with more than 80 sports modes, including running, golf, tennis, cycling, basketball, baseball and more. As a result, everyone will choose something for themselves. In addition, a precise sensor records data, so you can track your progress. This will allow you to plan your workouts even better and achieve your dream results faster. In addition, the smartwatch is IP68 water resistant, so you can use it without worrying about splashing.
