

### Powerbank Joyroom JR-L005 Jelly 10000mAh, Lightning (White)

Ref: 6956116726584

Powerbank Joyroom JR-L005 Jelly 10000mAh, Lightning (White)

Joyroom JR-L005 Jelly 10000mAh Powerbank, Lightning (white)

The Joyroom JR-L005 powerbank allows you to quickly charge your devices with 12.5W of power - no more waiting indefinitely for your device to be ready to use again. It has a built-in cable with Lightning port and 3 output ports, so you can charge several devices at once.

#### Fast charging

The Joyroom JR-L005 powerbank will allow you to quickly renew your equipment's energy. It offers ports: USB-A and USB-C, and it also has a built-in Lightning cable, so you can connect 3 devices to it simultaneously. What's more, it supports PD3.0, QC3.0, FCP, AFC, SCP, PE fast charging protocols, and will renew the iPhone 14 Pro's energy up to 60% and the Samsung Galaxy S22's up to 75% in about 30 minutes.

#### 10,000 mAh capacity

Don't be afraid of a suddenly discharged powerbank! The Joyroom JR-L005 is distinguished by its 10,000 mAh capacity, making it perfect for everyday use. It will charge the iPhone 14 Pro about 2.5 times, the iPad Mini 1.5 times, and the AirPods - up to 13 times.

#### Wide compatibility

The Joyroom JR-L005 powerbank is distinguished by its wide compatibility, so you will connect it to many devices. With its help you will renew the energy of your smartphone, iPad, headphones, smartwatch or TWS headphones.

#### Lightweight and compact

You can carry the powerbank with you almost anywhere. Thanks to its lightweight and compact design, it won't take up much space - it will successfully fit in your purse or backpack. What's more, the transparent finish makes the product look stylish. In addition, the powerbank is available in several color variants: white, black, purple and blue. This allows everyone to choose the right one for themselves.
