Joyroom Powerbank JR-L009 Cutie 10000mAh, 12W (pink)

Renew the energy of your devices in style. The Joyroom Powerbank from the Cutie series stands out with its 10,000mAh capacity and 12W power. It supports multiple fast charging protocols, allows you to charge three devices at the same time and features built-in USB-C and Lightning cables. It provides a number of safety features and features an original design that will delight many users. What's more, thanks to its clever design, it can serve you as a phone holder. It comes with an adorable cat-themed lanyard for added convenience.

Small size, large capacity

Despite its compact size, the Joyroom powerbank provides a capacity of 10,000 mAh and works with a power of up to 12 watts. This makes it perfect not only at home, but also on trips. It can renew the energy of an iPhone 14 around 2.3 times, an iPhone 13 around 2.5 times, and a Samsung S22 around 2 times.

Fast charging and wide compatibility

No longer do you have to wait long for your devices to be charged and ready for use. The Joyroom powerbank has three ports and two built-in cables - USB-C and Lightning, so you can renew the power of as many as 3 devices at once without having to buy additional cables. It is compatible with Apple hardware and Android-based devices. What's more, it supports PD3.0, QC3.0, AFC and SCP fast charging protocols.

Powerbank and holder in one

The Joyroom product is not only a functional powerbank, but also a practical phone holder. All you have to do is extend the foot on the back of the device and place your smartphone on the holder (vertically or horizontally) to watch videos and browse social media. In addition, the powerbank comes with a lanyard so you can carry it comfortably. Opt for functionality and comfort with Joyroom!

Design that impresses

Are you bored with common design and looking for something more innovative? Opt for Joyroom's proposal. The Cutie series powerbank stands out with an adorable lanyard with a cat motif and delights with its pastel colors. As a result, it attracts the attention of many users. Now you can charge your devices in style!

A number of safety features

The use of the Joyroom powerbank is completely safe. The device is equipped with a smart chip that constantly monitors the temperature level, thus protecting the battery of the connected equipment. What's more, it provides protection against short circuit, overheating, overvoltage and over-discharge, among other things.
